Loved by Developers

"CodeX transformed how our team collaborates. Real-time editing and instant feedback make development so much smoother."

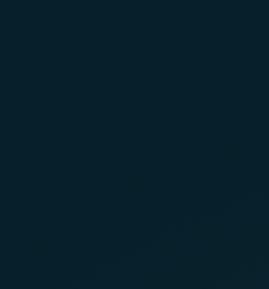

Njabulo Nhlelengethwa
Senior Full-Stack Developer

"The syntax highlighting is gorgeous, and the community is incredibly helpful. Found solutions to problems I've been stuck on for days."

Thabo Seripe
Frontend Engineer

"Security was our biggest concern. CodeX's enterprise features gave us complete peace of mind. Highly recommend!"

Lerato Matsile
Backend Engineer
